## Product Description

Low Sodium Tomato Juice - 0g Fat Per 100ml 2% Energy NRV

### Product Description:

Unsalted Tomato Juice is a low-sodium tomato sauce that is perfect for those who are watching their sodium intake. It contains 0g of protein, 0g of fat, and 11.2g of carbohydrates per 100ml. The energy content per 100ml is 198 KJ and it contains only 6 Mg of sodium. This low-salt tomato sauce provides a great taste while ensuring that you are consuming fewer sodium levels than in regular tomato sauce.

Unsalted Tomato Juice is made with fresh tomatoes and spices that are blended together to create the perfect low-sodium tomato sauce. It is free of any preservatives or additives, so you can enjoy a delicious and healthy tomato sauce without having to worry about the sodium levels. This tomato sauce can be used in a variety of recipes, from pasta dishes to soups and stews, or it can be used as a condiment to top off your favorite meal.

Unsalted Tomato Juice is a great choice for those looking for a low sodium tomato sauce that is both delicious and healthy. Its low sodium content ensures that you can enjoy all the flavor of tomato sauce without having to worry about the sodium levels. So, if you are looking for a low-sodium tomato sauce that is full of flavor, Unsalted Tomato Juice is the perfect choice.
