Product Description

Product Description:

Our Tomato Fruit Juice contains zero grams of protein and fat per 100ml, making it a great option for those looking for a low-calorie drink. With only 220 KJ per 100ml, our Tomato Stir Juice is a great way to stay hydrated without the added calories. In addition to its great taste, our Tomato Fruit Juice is also a good source of energy, providing 3% of the nutrient reference value per 100ml. It also contains a low amount of sodium, with only 6mg per 100ml. Our Tomato Fruit Juice is perfect for those looking for a refreshing and healthy drink that is easy to enjoy on-the-go. Whether you're looking for a quick pick-me-up or a tasty drink to enjoy with your meal, our Tomato Stir Juice is the perfect choice. Drinks with different contents can be customized according to customer needs. 330ml-500L packaging available.

Applications:

One of the best ways to enjoy ARKHUM Tomato Fruit Juice is as a breakfast drink. The juice is rich in nutrients and provides a great start to your day. You can pair it with your favorite breakfast foods such as eggs, toast, and cereal. The juice is also a great option for those who are always on the go and need a quick and easy breakfast option. ARKHUM Tomato Fruit Juice is also a great option for those who are looking for a healthy snack. The juice contains tomato pulp which is loaded with vitamins and minerals. You can enjoy the juice on its own or pair it with a low-fat cheese or crackers for a more filling snack. If you are looking for a way to enhance the flavor of your favorite dishes, then ARKHUM Tomato Fruit Juice is the perfect ingredient. The juice can be used to make tomato sauce, tomato soup, and other tomato-based dishes. The juice is made from high-quality tomatoes that are carefully selected and processed to retain their natural flavor and nutrients. ARKHUM Tomato Fruit Juice is also a great option for those who are looking for a healthy alternative to sugary drinks. The juice contains only 12.4g of carbohydrates per 100ml and no fat or protein. It is also low in sodium, with only 6mg per 100ml. This makes it a great option for those who are watching their weight or trying to maintain a healthy diet. Overall, ARKHUM Tomato Fruit Juice is a versatile and healthy beverage that can be enjoyed in a variety of occasions and scenarios. Whether you are looking for a refreshing drink, a nutritious snack, or an ingredient to enhance the flavor of your favorite dishes, ARKHUM Tomato Fruit Juice is the perfect choice.
